Subject: Objection to expansion around Coggeshall essex

Dear sir/ Madam

I object to the proposed expansion around Coggeshall of 30, 000 homes as this would have a detrimental effect on the rural nature of the small town that we know and love as Coggeshall. The A120 is already a great concern

! Schools, rail links and healthcare are fine as they are, residents of Coggeshall do not wish to live in a large impersonal environment, please leave this much loved little town and preserve its rural nature.

Yours faithfully

Mrs C P Corton . [REDACTED] .
