Subject: Fwd: Battleswick Farm Rowhedge

I am writing to log my objections and concerns regarding plans to change Battleswick Farms category from Green Belt land.

I have lived in Rowhedge for the majority of my life and am proud of our village. Battleswick Farm defines the boundary of the village and protects Rowhedge and its identity from being engulfed by Old Heath and therefore Colchester.

We are awaiting the building of the dock development which will put even more strain on our existing infrastructure and services. To put wheels in motion to enable the other side of the village to be developed, Rowhedge will be unrecognisable.

Regards

Mrs Jessica Hood.
