

# Annex 5 - Convictions Policy

## 1. Introduction

1.1 The key consideration of the Council and the overriding objective in the licensing of hackney carriage and private hire vehicles, drivers, and operators is the safety of the travelling public. The Council therefore considers its robust approach to convictions and motoring convictions to be fully justified.

1.2 Licensed drivers, proprietors and operators have close regular contact with the public who entrust their personal safety to licensed members of the trade whenever they take a journey. Users of licensed vehicles have a right to expect that their driver is not an individual with a predisposition towards or a propensity for violent behaviour at any level. The public also have a right to expect that licensed drivers, proprietors and operators are trustworthy with no propensity for dishonesty.

1.3 In line with these considerations the Council has a statutory obligation to ensure the applicant is a 'fit and proper' person. This requirement remains with the Council throughout the lifetime of a licence and at the point of renewal. Therefore, the Council's Convictions Policy (the Policy) will apply to new and renewal applications, and where applicable transfers, for drivers and operators, when reviewing an existing licence and decisions to suspend or revoke a licence. The Council will also have regard to the Policy when determining its own pre-licensing conditions.

1.4 Any decision, taken by officers of the Council and/or the Licensing Committee, needs to be justified, proportionate and consistent. The Policy has been drawn up to assist licence holders, officers and members of the Licensing Committee and ensure that the decision making process is open and transparent for all users.

1.5 In the Policy the Council has categorized and assessed the risk to the public of a wide variety of criminal and motoring convictions. The convictions listed are by no means exhaustive however it is anticipated that any convictions not listed will have close enough themes to enable parallels to be drawn from other listed convictions. Also included within the Policy is the stance to be taken on other forms of intelligence which can be considered by the Council as part of its fit and proper test.

## 2. Relevant legislation

2.1 Hackney carriage and private hire licences are issued by the Council, pursuant to the provisions of Part II of the Local Government (Miscellaneous Provisions) Act 1976 and the Town Police Clauses Act 1847. The 1976 Act prohibits the Council granting a licence to a person unless it is satisfied that the person is 'a fit and proper person'. Section 57 of the Act gives the Council the power to require a person to submit information about themselves so the Council can be satisfied that they are 'a fit and proper person'.

2.2 There is an ongoing responsibility under the 1976 Act for the Council to ensure that licence holders continue to meet the 'fit and proper' test for the duration of the

# Annex 5 - Convictions Policy

licence period and Sections 61 & 62 of the '1976 Act', gives the Council the power to suspend, revoke or to refuse to renew a driver or operator licence.

## 3. General principles

3.1 In this Policy any reference to offences should be taken to include convictions, cautions, fixed penalty notices, and any other form of restorative justice. Such determinations can be regarded as being similar in terms of culpability, evidence and the admission of guilt. The categories include attempts, incitement, aid and abet, cause and/or permit, counsel or procure or conspiracy to commit an individual offence which can attract the same penalty.

3.2 Reference to 'applicants and 'licence holders' in this policy includes drivers, proprietors and operators as appropriate.

3.3 By virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) (Amendment) Order 2002 'taxi' drivers are an exempt occupation for the purposes of the 1974 Act and convictions are therefore never spent. The Council is therefore able to take into account spent convictions but will do so in a fair and proportionate way. Operators are not an exempt occupation.

3.4 The Policy also deals with any civil actions including injunctions, breaches of licensing conditions or byelaws, complaints, allegations, cautions and intelligence made available to the Council by the Police or other partner agencies, and anything considered by the Courts that hasn't resulted in a conviction.

3.5 Anecdotal evidence can be taken into account and may, on occasions, be the sole reason for the refusal, suspension or revocation of a licence. Where allegations are presented as evidence further information must be sought from the applicant.

3.6 The investigating officer/Licensing Committee cannot go behind the existence of a conviction in an attempt to re-try the case. The conviction will be considered in so far as it relates to whether the applicant/licence holder is a fit and proper person to hold a licence.

3.7 Each case will be considered on its own merits and discretion may be exercised where appropriate and the appropriate weight attached to the evidence under consideration. The Council will consider –

- the nature of the offence and any penalty imposed
- the length of time since the offence
- the individual's age when the offence was committed
- the history and pattern of offending
- whether the matter has previously been considered
- the intent or harm that was or could have been caused
- any other relevant matter

## Annex 5 - Convictions Policy

3.8 The Council may depart from the policy however it will only do so in exceptional circumstances where genuine and mitigating circumstances have been demonstrated. The otherwise good character and driving record of the applicant or licence holder will not ordinarily be considered as exceptional circumstances.

3.9 The tables included within the Policy set out the number of points that will be attached for each offence when determining an application or when a licence is renewed or reviewed. The points may be applied to new applicants and existing licence holders. The points will remain on the licence as specified in the table.

### 4. Investigation, Determination and Appeal Procedure

4.1 The Council will deal with offences as follows –

- On receiving a disclosure from the DBS or other notification a member of the Licensing Team will assess whether any of the convictions and/or any of the additional information received has any relevance as to whether the applicant/licence holder is a fit and proper person to hold a licence,
- A member of the Licensing Team will investigate the facts, which may include interviewing the applicant/licence holder under caution. The Council may also, as part of its investigation request a Police National Computer Check (PNC) from the Police to ensure it has all the evidence necessary to properly investigate the matter. This may mean that matters that formed part of a previous decision are reconsidered in the light of new evidence and this may result in a licence, previously granted, being revoked.
- A report will be made to the Licensing, Food & Safety Manager (the Manager).
- The Manager will review the case file and, where appropriate, will interview the applicant/licence holder and make his determination. The outcome will be conveyed to the applicant/licence holder in writing.
- In the first instance the applicant/licence holder has a right of appeal against the award of points to the Licensing Committee. The appellant may submit documentary evidence in advance of the hearing and has the right to address the Committee and/or nominate someone else to do so on their behalf. Appeals must be made in writing to [licensing.team@colchester.gov.uk](mailto:licensing.team@colchester.gov.uk) or to the Licensing, Food & Safety Manager, Rowan House, 33 Sheepen Road, Colchester, CO3 3WG within 21 days from the date of notification of suspension/revocation.
- If the right of appeal is exercised the Licensing Committee will consider the facts of the case and make its determination.
- The Committee may exercise its discretion to increase or reduce the number of points that are applied for a conviction. The number of points may be reduced

## Annex 5 - Convictions Policy

where it considers that the case has been proved by the applicant that there were genuine and mitigating circumstances in relation to the conviction.

- There is a further right of appeal to the Magistrates Court. Any such appeal must be made in writing, within 21 days from the date of the decision/notification of the decision, to the Clerk of the Court, Essex Magistrates' Courts, Osprey House, Hedgerows Business Park, Colchester Road, Springfield, Chelmsford, Essex, CM2 5PF.
- Where an appeal has been made the implementation of any suspension or revocation will be held until the appeal has been determined.

### 5. Application of Points

5.1 In addition to setting out the points to be applied for each offence the tables are colour coded to indicate the Council's stance in relation to a new or renewal application or to the review of a licence.

**Red (9 to 12 points)** - Where the convictions of an applicant result in the accumulation of 12 or more points an applicant should expect their application to be refused. If a licence holder's conduct is such that, were they to be applying for a new licence, their application would be refused, they should expect consideration to be given to the revocation of their licence.

**Orange (5 to 8 points)** - Where the convictions of an applicant result in the accumulation of between 8 and 5 points an applicant should expect their application to be referred to the Licensing Committee for determination. If a licence holder's conduct is such that, were they to be applying for a new licence, their application would be referred to the Licensing Committee for determination, they should expect their case to be referred to the Licensing Committee for consideration where it may be suspended or revoked.

**Green (0 to 4 points)** - Where the convictions of an applicant result in the accumulation of 4 or less points the application is likely to be granted. A licence holder should expect that the points will be applied to their licence but no further action is likely to be taken unless circumstances indicate that consideration by the Licensing Committee is appropriate.

**Please note – In addition to points for convictions, licence holders may also receive penalty points for breaches of policy etc. under the Council's Penalty Points Scheme. These points will be added to those for convictions and where the total exceeds 12 in any one year the licence holder should expect consideration to be given to the suspension or revocation of their licence.**

# Annex 5 - Convictions Policy

## Examples of how the scheme will operate

### New Applicants

An applicant with a 5 year old conviction for shoplifting and an 8 year old one for driving with no insurance will have 4 and 3 points respectively. This places the application in the orange zone and they should expect it to be referred to the Licensing Committee for determination. In the event that a licence is granted 7 points will remain on the driver's record. These points will continue to decrease during the course of the licence in accordance with the Convictions Policy for example when the licence is 2 years old there will be 5 points on the licence. If a driver then receives penalty points for smoking in a vehicle the points will be added to the 5 points already on their licence. These penalty points only last for a period of 12 months.

### Existing Licence Holders

Existing licence holders must declare any convictions etc. at the point at which they are convicted. A driver with a new convictions for a Breach of the Peace will be given 3 points on their licence. These points will reduce over the course of the licence. If the conviction were for Possessing Controlled Drugs 12 points would be given and in line with the Policy consideration given to the revocation of the driver's licence. Any penalty points awarded during the course of the licence will be added to the existing conviction points.

## 6. Totting Up

6.1 If the number of current points on the DVLA licence exceeds 12 points a new application will be refused or a current licence suspended or revoked. A further application will not be approved until the DVLA licence demonstrates that the number of current points on the licence is below 12 points.

6.2 When disqualified from driving under the 'totting up' procedures, the licence will remain suspended until the driver has achieved a pass in 'driving skills' training with a nationally recognised and accredited driving assessment programme.

6.3 Where a licence shows 12 points or more but no disqualification was imposed because of 'exceptional hardship'; the requirement to undertake 'driving life skills' development and be successful will apply and must be achieved within 3 months of the Court decision or the licence will be suspended and not restored or renewed until successful in a 'driving life skills' programme with a nationally recognised and accredited driving assessment programme.

6.4 If there is a further period of disqualification the licence will be revoked and not considered for renewal for a minimum period of 12 months from the end of the disqualification period. Where there is a third period of disqualification the minimum period is 3 years. In both cases the licence will remain suspended and not restored or renewed until successful in a 'driving life skills' programme with a nationally recognised and accredited driving assessment programme.

## 7. Repeated convictions

7.1 Repeated convictions on a DVLA licence for the following offences or combination of offences will result in a licence being refused, suspended or revoked and not restored until the number of active occasions for those types of offence has reduced to one or less.

Code	Offence
CU10	Using a vehicle with defective brakes
CU30	Using a vehicle with defective tyre(s)
CU40	Using a vehicle with defective steering
CU80	Breach of requirement as to control of the vehicle, mobile telephone etc.
IN10	Using a vehicle uninsured against third party risks

## 8. Failure to report a disqualification

8.1 It may be that by the time the Council becomes aware of a disqualification, the period has passed and the driver is able to drive again. By being dishonest the intentions of the policy have been evaded.

8.2 In such circumstances the failure to report such a disqualification would

normally result in the driver licence being suspended or revoked. The period of suspension or revocation would not normally be less than would have been effective if the disqualification had been properly reported to the Council.

8.3 A licence would not normally be granted or a suspension lifted until the completion of a 'driving life skills' training with a nationally recognised and accredited driving assessment programme.

8.4 Where false declarations have been made at the time of application or renewal these will be considered under the 'fit and proper' person assessment.

### **9. Immediate Suspension or revocation**

9.1 The Council will immediately suspend or revoke a licence if it considers it necessary to do so in the interests of public safety.

### **10. Police Bail and Release Under Investigation**

10.1 The release of a driver on police bail or under investigation for an alleged offence is likely to call into question whether the driver is a fit and proper person to hold such a licence and the Council will carry out an investigation as it would in the case of a conviction.

### **11. Police intelligence**

11.1 Any applicant or licence holder who in the view of the Police may be a threat to the public, can expect the Council to carry out a full investigation. This intelligence may be provided by the police or other agencies and may include circumstantial evidence.

**Implementation of the Policy** - The Policy will be monitored and reviewed on a regular basis. Any proposed significant changes will be subject to full consultation; minor amendments which do not affect the substance of the Policy may be made without consultation.
