Pay Data – Appendix 1	9

Introduction

The purpose of this policy is to provide an open and transparent framework that ensures clarity, fairness and consistency in the remuneration of officers.

The Council will comply with this policy which covers all officers. It ensures that employees are paid on a fair and equitable basis in accordance with equality legislation.

Colchester Borough Council recognises the importance of administering pay in a way that:

- attracts, motivates and retains appropriately talented people needed to maintain and improve the Council's performance and meet future challenges
- reflects the market for comparable jobs, with skills and competencies required to meet agreed delivery and performance outcomes
- allows for a proportion of remuneration to be at risk, depending upon the delivery of agreed outcomes and results
- delivers the required levels of competence within an overall workforce strategy within approved budget parameters
- is affordable and transparent.

1. Pay strategy and framework

- 1.1 The Council determines the level of annual salary for employees, including chief officers, using an established job evaluation scheme. Jobs are independently evaluated, using this scheme, by experienced Human Resources staff and all employees have the right of appeal against their pay grade.
- 1.2 The pay grades and salary spines are shown in Appendix 1, along with other definitions such 'chief officer'. The Council implemented the '[Living Wage](#)', which is independently calculated by the Living Wage Foundation, from April 2013 and became an accredited Living Wage Employer in February 2016. Each pay grade has a number of incremental points and employees normally progress up their pay grade by one increment on an annual basis, subject to satisfactory levels of performance (see also section 5 - rewarding performance).
- 1.3 The exception to this principle is where employees have transferred their employment to the Council and salary protection exists under the Transfer of Undertakings (Protection of Employment) legislation which is commonly referred to as TUPE.
- 1.4 The pay policy incorporates the Council's Equality and Diversity policy (website link [Equality and Diversity in employment - Colchester Borough Council](#)) and periodic equal pay audits will be conducted. From April 2017, in line with new mandatory gender pay gap reporting, the Council will need to publish pay information showing whether there are any differences in pay between male and female employees.

2. Pay review and annual increases

- 2.1 The Council supports the principle of collective bargaining and has a recognition agreement with the trade union 'Unison'. Negotiation and consultation is conducted at a local level in relation to levels of pay and benefits for all employees including Chief / Senior Officers (see definitions in Appendix 1). The Council therefore is not part of any national terms and conditions for local government employees.
- 2.2 Local negotiations around a pay review are conducted on an annual basis, and any increase is agreed taking into account inflationary factors, local salary levels and affordability. Any decision to increase salary levels for all employees has to be approved by the Portfolio Holder under delegated powers set in the Council's [Constitution](#).
- 2.3 The Council publishes its pay multiple (the ratio between the highest and lowest paid employees) and does not currently set a target for this.

3. Remuneration of Chief Officers

- 3.1 The remuneration of all officers is determined using the Council's job evaluation and performance management schemes.
- 3.2 The median average value of Chief Officers' pay is shown in Appendix 1 together with the relationship to the lowest paid staff and other staff (referred to in the legislation as "the pay multiple").
- 3.3 The remuneration of all Chief Officers and Senior Officers will be published in the Council's [Annual Statement of Accounts](#) (note 32), which also includes a wide range of financial information.

4. Other items in addition to salary

The Council pays the following additions to annual salary:

- 4.1 [Overtime:](#)
This is paid to employees who are required to work in excess of their contracted weekly hours. All overtime is paid at plain-time rate derived from annual salary, and enhancements are not normally paid for working at weekends or public holidays. Employees on pay grade CMG5 or above are not entitled to receive overtime pay.
- 4.2 [Unsocial hours working:](#)
The Council pays an allowance to employees who work unsocial hours which cover 24-hour shift working. Allowances are also paid to employees who undertake standby and call out duties. A small payment can also be made to 'front-line' employees who are required to work over the Christmas/New Year period.
- 4.3 [Maternity, paternity and shared parental arrangements:](#)
The Council has a policy that supports parents and provides some enhancement to the statutory maternity, paternity and shared parental provisions. These enhancements are shown in Appendix 1.

OFFICER PAY POLICY

4.4 Recruitment and retention payments:

Where the Council is faced with difficulties in recruitment to and retention of specific jobs, as a result of market pressures and skills shortages, the Chief Executive is able to sanction the use of a temporary recruitment/retention supplement, reviewed on a regular basis. This may include a non-consolidated payment on appointment and/or a retention payment to reflect the employment market and the needs of the business. Any such payment is to be authorised by the Chief Executive. If the employee leaves the Council voluntarily within a year, they will be required to pay back this non-consolidated payment.

Where an individual is being recruited and has significant experience or skills in the role for which they are being employed, Heads of Service and above have discretion to appoint at any scale point (within the grade) above the lowest level.

Where an employee is upgraded using the Council's job evaluation scheme, the employee will move to the lowest point of the new pay grade such that they receive at least one increment. Any proposal to move the employee to a higher point on the pay grade has to be authorised by the Chief Executive.

4.5 Increases in responsibility:

Temporary or permanent payments can be paid at the discretion of the Chief Executive (for employees on CMG 7 and above), or at the discretion of a member of the Executive Management Team (for employees on CMG 8 and below), to reflect operational needs, the level of additional responsibility and the Council's increment/acting-up policies.

4.6 Other items:

The Council only reimburses reasonable business expenses actually incurred and in line with the Council's travel and subsistence policy.

Professional membership fees are reimbursed to employees at the rate of 50% of fees incurred and only one membership per employee is reimbursed.

External training costs are paid where they form part of agreed learning and development, and in line with the post-entry training policy.

There are no expense allowances or bonuses other than those mentioned within this pay policy.

5. Rewarding performance

- 5.1 The Council uses a performance management scheme to appraise the performance of all employees, including Chief / Senior Officers. Issues of poor performance can result in any annual increment being withheld.
- 5.3 The Council also recognises the need to incentivise specific jobs whose role involves a proportion of sales or income generation. In such cases a reward package will be developed, which needs approval by Senior Management Team. The annual salary and incentive payment will be determined outside of the job evaluation scheme and will be risk-assured in relation to equal pay.
- 5.4 The Council incentivises and recognises employees for their individual contribution towards the three organisational goals of 'Customer; Business and Culture' through a non-salary rewards scheme. Where an employee's contribution is deemed to be excellent they can be nominated for a non-consolidated payment up to the maximum value if authorised by an Executive Director. See Appendix 1 for the value of these incentives.
- 5.5 The Council also recognises the importance of organisation-wide performance, and the contribution which employees can make to this. The Council is considering with the Trade Union the introduction of non-consolidated payments which would be related to its overall performance as measured against a range of financial, income and key performance indicators. If introduced, these would form part of the annual pay negotiations with Unison, and through the public governance process of portfolio holder approval. This matter is subject to formal member approval.

6. Pension

- 6.1 In accordance with statutory provisions, employees are offered membership of the Local Government Pension Scheme. The Council has a published pension policy and this policy applies to all employees including Chief / Senior Officers. It sets out the Council's decisions relating to discretionary powers allowed within the scheme. The pension contribution rates are shown in Appendix 1.
- 6.2 The Council also supports the principle of flexible retirement whereby employees are able to gain access to their pension whilst continuing in employment, subject to the restrictions laid down within the scheme and in the Council's Pension policy. This approach allows the Council to retain skilled employees and to assist individuals in managing the transition to retirement.

7. Other financial benefits

The Council currently offers the following financial benefits to employees, with the value of these charges and benefits shown in Appendix 1:

7.1 **Travel Plan incentives/charges:**

In order to encourage employees to use 'greener' travel modes, which also help to reduce town centre congestion, the Council has developed a package of travel plan measures. These measures include a charge for car parking for employees based in the town centre, and discounts for the 'home to work' use of bus and rail travel.

7.2 **Salary sacrifice schemes:**

The Council has adopted approved government salary sacrifice schemes which enable employees to have deductions from pay to purchase childcare vouchers or cycles for travel to work. These schemes are tax efficient for the employee and are cost-neutral to the Council.

7.3 **Long Service Awards:**

The Council recognises the commitment of employees to public service and provides a gift to employees for 25 years' service with the Council.

7.4 **Other allowances:**

An allowance is paid for employees who volunteer to be designated First Aiders in the workplace.

An allowance paid as a contribution towards broadband costs, which applied if employees work at home on a regular basis using a PC to access Council systems, is no longer included in the terms and conditions of new starters joining the Council after 1 October 2016. No employee will receive this allowance after 1 May 2018.

OFFICER PAY POLICY

8. Recruitment

- 8.1 In accordance with the Council's [Constitution](#), appointments to Head of Paid Service (Chief Executive), Executive Directors, Heads of Service, Chief Finance Officer and Monitoring Officer, have to be approved by the Full Council.
- 8.2 All appointments are made in line with this pay policy.
- 8.3 The appointment of other Chief Officers and starting salaries within the grade must be approved by the Chief Executive.
- 8.4 The appointment of employees other than Chief Officers will be delegated to the appropriate management level, relevant to the vacant job. The starting salary within the pay grade range will be determined taking into account the skills and experience of the applicant and market pressures.
- 8.5 The Council does not restrict the re-employment of employees previously made redundant by either the Council or other Local Government. All applicants for vacancies are considered equally, based on their knowledge, skills and experience.
- 8.6 Full Council will be offered the opportunity to vote before large salary packages are offered in respect of new appointments. This level is set out in statutory guidance, and the current level is shown at Appendix 1 along with definitions of roles/posts.

9. Sick Pay

The Council applies the following sick pay scheme for all employees including Chief Officers.

Service (years)	Full Pay (months)	Half Pay (months)
During first year	1	*2
During second year	2	2
During third year	4	4
During fourth/fifth years	5	5
After five years	6	6

* After completing 4 months' service

10. Payments when employment status changes

10.1 Redundancy:

The Council operates a redundancy payment scheme which applies to all employees including Chief / Senior Officers. The scheme is based on the employee's rate of pay and on the number of weeks paid under the statutory scheme, with an enhancement of 50% subject to a maximum of 45 weeks' pay.

10.2 Pay Protection:

The Council operates pay protection for a limited time period, within the terms of the redundancy policy. This applies when staff have their pay reduced as part of a process of re-deployment or job evaluation.

10.3 Agreements:

Where the Council is in dispute with an employee, the Council will make use of legally binding agreements to settle disputes in appropriate circumstances. The use of these agreements and the value of any settlement will be determined by a consideration of factors such as the potential costs of litigation, the degree of risk at employment tribunal adjudications and any reputational impact. The decision to agree a legally binding agreement will rest with the Chief Executive or, in the case of the Chief Executive, will rest with the Cabinet.

11. Election duties

11.1 The Council has determined that the Returning Officer is the Chief Executive, and the remuneration is separate from the Chief Executive's salary. The Council has set the remuneration levels of employees who assist with local government election duties on a secondary employment basis. These levels are set by Essex County Council for county elections, and by central government for national and European elections.

11.2 The amount paid for election duties will vary depending on the number and type of elections which take place. The amount paid to the Returning Officer in the previous year is shown in Appendix 1.

12. Temporary staff and interim arrangements

12.1 The Council occasionally uses temporary agency or interim staff where it meets specific business needs and delivers best value. Levels of reward are determined by market rates. However, the Council will not use payment arrangements that could be perceived to be designed to deliberately avoid personal taxation.

Employers can choose to pay the Living Wage on a voluntary basis, and the Council has done so since 2013. This is higher than the compulsory National Living Wage introduced by the government from April 2016 for all employees who are over 25 (currently £7.50).

Apprentices

The national introduction of an Apprenticeship Levy in April 2017 aims to encourage businesses to create three million new apprenticeships by 2020. Employers operating in the UK with a pay bill over £3 million each year are now required to invest in apprenticeships via an apprenticeship levy charged at a rate of 0.5% of the annual pay bill.

The Council's first intake of apprentices joined in September 2017. CBC agreed the apprenticeship pay rate as the [National Minimum Wage by age](#) - this is more than the NMW rate for apprentices of £3.50 an hour, and CBC apprentices get the NMW for their age straight away without having to complete the first year of an apprenticeship or be 19.
