

# Wild About Colchester

## BINGO SHEET 3: Wild Water

Our gardens, parks and green open spaces are an amazing place for little people, with big imaginations, to explore. Use the images to help you search. Most of these items can be found in your garden or local park or green space. Some require you to visit a specific location. Can you find all six items?

There will be a new bingo sheet every week of the summer holidays.

WE'D LOVE  
TO SEE YOUR  
PHOTOGRAPHS  
TAKEN AS YOU  
EXPLORE  
COLCHESTER

Carefully, look down from a bridge over a river and see if you can find a fish!

Find a Willow Tree. Willow trees often grow beside water, in fact the Romans even had a story about the weeping willow. Why not read the story?

There aren't just natural sources of water you can find around Colchester! The lily pond between Colchester Castle and Hollytrees Museum was built in 1929. What animals can you spot living in it?

Visit Middle Mill (now Middle Mill Weir) near lower Castle Park. This picture was taken in 1970. How has it changed?

Find a place where you can see a waterfall in Colchester! This photo is of Middle Mill Weir near lower Castle Park.

Find a stream. Streams like the one at Bourne Valley have been used in many ways, such as the mill, by monks, for drinking and washing. How is water still used today?

Why not try another Wild About Colchester activity [colchester.gov.uk/wildaboutcolchester](http://colchester.gov.uk/wildaboutcolchester)

### REMEMBER TO...

- **Take care:** you are responsible for the safety of yourself and your party
- **Respect COVID-19** social distancing and group gathering guidelines
- **Respect** any ancient monument and remember to put your rubbish in a bin or take it home with you
- **Recycle** this sheet if you printed it out at home.

We hope you enjoyed this bingo sheet. To keep up to date with the latest Wild About Colchester activities follow us
