

Wild About Colchester

BINGO SHEET 5: WILD TRAVEL

Our gardens, parks and green open spaces are an amazing place for little people, with big imaginations, to explore. Use the images to help you search. Most of these items can be found in your garden or local park or green space. Some require you to visit a specific location. Can you find all six items? There will be a new bingo sheet every week of the summer holidays.

WE'D LOVE TO SEE YOUR PHOTOGRAPHS TAKEN AS YOU EXPLORE COLCHESTER!

Can you find a butterfly and a bird flying? How are their flights different to one another?

Can you find a boat? Where is it? How big is it? Do you think it is for fun or a boat for transporting goods?

Can you find anyone cycling to or from a park in Colchester, or even through the green spaces along some of the cycle ways?

Now is about the time swallows start leaving the UK for their winter homes, called migration. See if you can spot them.

Can you find a frog and a toad? You may have to look in different place to find both. Which one walks, and which one hops?

Can you find Balkerne Gate? It was one of five gates on the walls surrounding the Roman town of Colchester, and the largest surviving gate in Britain. It separated the safety of the town from the dangers of the wild beyond.
