*Please note the Council do not agree with the figures the appellant has identified as projections for 2018/19 and 2019/20. SH projections for 2018/19 are 1221 and 2019/20 are 1261. The Council have used figures published in the respective Housing Land Supply Position Statements. It is unclear where the figures used by SH for 2018/19 and 2019/20 have derived.
