

**Hedgehog Dome ★**  
Five Hedgehog Domes are proposed on site in suitable habitat to create hibernation opportunities for Hedgehogs. Schwegler woodcrete domes are a long-lasting example of such domes.

**Woodland Bat Boxes ▲**  
Ten bat boxes are proposed in the woodland on site on suitable retained trees to provide new roosting opportunities for bats. Schwegler 2F bat boxes are long-lasting woodcrete boxes suitable for use by a range of species.

**Woodland Bird Boxes ●**  
Ten bird boxes are proposed in the woodland on site on suitable retained trees to provide new nesting opportunities for birds. Schwegler 1B bird boxes are woodcrete boxes suitable for use by a range of species.

**Bird Boxes for Houses ●**  
Thirty bird boxes are proposed in houses on site to provide new nesting opportunities for birds. Schwegler 1BFN bird boxes can be installed in walls.

**Bat Boxes for Houses ▲**  
Thirty bat boxes are proposed in houses on site to provide new roosting opportunities for bats. Schwegler 2FE bat boxes can be installed inside or outside of houses.
