Brook Meadow, Tiptree

Dear Lisa-Marie,

Prior to the recent rain, a number of Tiptree residents living near Brook Meadow have expressed their concern about the fire risk posed by the dry conditions and the height of the vegetation on the meadow. They also understand the farmer who has been cutting the meadow in previous years has surrendered his lease and the residents have expressed uncertainty regarding who to approach. Please can you arrange for the meadow to be cut? Alternatively, with your permission, and if access can be arranged, some local residents have expressed a willingness to get the meadow cut at their own expense. Please let me know if you are amenable to that option.

Please would you reply to Tiptree Parish Council office (phone, email or letter) to let me know how you wish to proceed. Thank you.

Kind regards

Rob Williams
