The Council will exercise all its powers and duties in accordance with the law and this Constitution.

1.02 The Constitution

- (h) provides a means of improving the delivery of services to the community.

1.04 Principles of the Constitution

In seeking to reinforce local democracy, the Constitution is founded on the following principles: -

The Council will monitor and evaluate the operation of the Constitution as set out in Article 14.

Colchester City Council

Article 2 – Members of the Council

INTRODUCTION

This Article sets out the composition of the City Council, eligibility to stand for election as a Councillor and the form of election to be used.

The Article contains a section on the roles and functions of Councillors.

The Article also deals with the rights and duties of Councillors (otherwise known as Members), especially as they affect access to land, buildings, documents and information and any confidentiality requirements surrounding the latter.

2.01 Composition and Eligibility

- (a) **Composition** - The Council comprises fifty-one Councillors. One Councillor will be elected by the voters for each ward in accordance with a scheme drawn up by the Local Government Boundary Commission for England. They serve for four years before coming up for re-election and each represents a particular area or ward of the City. As a locally elected representative, the main duty of a Councillor is as a community leader, speaking and acting for all local people, assisting them as individuals and seeing that their area gets fair and proper treatment. As a member of the Council, a Councillor represents the interests of the City of Colchester as a whole and, by serving on one or more of the bodies described below, takes decisions on the policies of and services provided by the Council.
- (b) **Eligibility** - Only registered voters of the City of Colchester or those living or working or owning land or premises in the City are eligible to hold the office of Councillor.

2.02 Election and term of office of Councillors

Regular elections of a third (or as near as may be) of all Councillors will be held annually on the first Thursday in each May (unless Parliament determines otherwise). There will be no regular election when there are elections to Essex County Council. The term of office of Councillors will be four years starting on the fourth day after being elected and finishing on the fourth day after the date of the regular election four years later.

2.03 The Mayor

The Mayor is the "First Citizen" of the City and a Councillor. The post should not be confused with that of an elected mayor who, under the organisational arrangements adopted in some council's, is the political leader.

In Colchester, the Mayor is the ceremonial head of the Council and is elected by the

other members of the Council at the Annual Meeting to serve for twelve months. The main roles of the Mayor are to represent the Council and the City at official functions both at home and abroad and to chair meetings of the full Council.

2.04 Roles and Responsibilities of all Councillors

Purpose

- (a) participate fully in the good governance of the City;
- (b) contribute actively to the formation and/or scrutiny of the Council's policies, budgets, strategies and service delivery;
- (c) represent effectively the interests of the Ward for which the Councillor was elected and deal promptly with constituents' enquiries and representations;
- (d) promote Council engagement with all citizens and groups and ensure that there are opportunities for all views to be heard;
- (e) champion the continuous improvement of the quality of life of the community in terms of equity, economy and environment;
- (f) ensure that the Council's resources are used to achieve the maximum benefit for the people of Colchester;
- (g) represent the Council effectively, when appointed to an outside body, such as a charitable trust or association, etc;
- (h) act at all times with probity and propriety in the best interest of the Council and in accordance with the Members' Code of Conduct.

Duties and Responsibilities

Councillors shall be responsible for the following duties and responsibilities: -

- (a) To fulfil the statutory and locally determined requirements of an elected member, including compliance with all relevant codes of conduct, and participation in those decisions and activities reserved to the full Council.
- (b) Participate effectively as a member of any Committee or Panel to which the Councillor is appointed, including related responsibilities for the services falling within the Committee's or Panel's terms of reference, and its liaison with other public bodies to promote better understanding and partnership working.
- (c) Participate in the activities of an outside body to which the Councillor is appointed, providing two-way communication between the organisations and representing the policies and practices of the Council. Also, for this purpose, to develop and maintain a working knowledge of the Council's policies and practices in relation to that body and of the community needs and aspirations in respect of that body's role and functions.

- (d) Participate in the scrutiny or performance review of the services of the Council including, where the Council so decides, the scrutiny of policies and budget, and their effectiveness in achieving the strategic objectives of the Council.
- (e) Participate, as appointed, in consultative processes with the community and with other organisations.
- (f) Provide a link between the Council and the community, through the various forums available.
- (g) Develop and maintain a working knowledge of the Council's services, management arrangements, functions/duties and constraints, and to develop good working relationships with relevant officers of the Authority.
- (h) Develop and maintain a working knowledge of the other organisations and services which serve the City.
- (i) Contribute constructively to open government and democratic renewal through active encouragement to the community to participate generally in the democratic process.
- (j) Maintain confidentiality in all relevant Council business.

2.06 Allowances

Councillors will be entitled to receive allowances in accordance with the Members' Allowances Scheme set out in Part 6 of this Constitution.

2.07 Role of the various meetings of the Council

Each of the various meetings of the Council has a role to play within the Authority.

Full Council

The main role of the Full Council is to decide the key policies and plans within which the Council's functions will be carried out, and to set the Council's budget and Council Tax levels and approve the Constitution.

The Committees and Panels are appointed annually by the Council. The Leader is appointed by the Council for a term of four years (or for the remainder of their term in office as a Councillor whichever is the shorter). The Leader appoints the Deputy Leader and the Cabinet. Reports on new or existing policies may be initiated or drawn up by the Cabinet as a whole or by an individual Cabinet member, a Panel of the Cabinet or a Panel.

The Cabinet makes recommendations on policy to the Full Council, although in the case of non-statutory plans and strategies (i.e., those that do not fall within the Policy Framework of the Council), the Panels may report direct to the Full Council. It also receives reports from the Scrutiny Panel and the other Panels on the effectiveness of existing policies and in both cases makes decisions in the light of the actions recommended and the views expressed. Its meetings also provide a forum for Councillors to question the Cabinet on the performance of its duties and for the public to ask questions or make statements on any of the functions of the Council.

Cabinet

The Cabinet is appointed by the Leader of the Council and comprises the Leader and up to nine other Councillors. The broad areas of responsibility are as follows:-

Environment	Community Safety	Strategy
Transport	Housing	Regeneration
Employment	Health	Partnerships
Economic Development	Resources	Licensing
Leisure	Customer Services	Young People
Tourism	Planning	Procurement
Communications	Waste	Diversity
Information Technology	Rural Issues	Commercial Activities

The Leader allocates to each member of the Cabinet responsibility for one or more of the broad areas described above (known as a portfolio) and may group those areas by type or similarity of function. The Cabinet therefore forms a readily identifiable body and it will be clearer to the public who is responsible for decisions.

The Leader appoints a Councillor to act as Deputy Chair of the Cabinet for the forthcoming municipal year. The Deputy Chair may or may not be responsible for specific functions or areas within the Cabinet.

There is a presumption that delegations to and powers of the Cabinet are to the body as a whole and that decisions are reached collectively. However, in certain circumstances it may be appropriate for the Cabinet to authorise its members to take decisions on their own, within any limits that may be set and having received the necessary Officer advice.

The responsibility of the Cabinet is to take decisions within the budgetary and the Policy Framework set by the Full Council and must take into account the views of local people, consultees and the Scrutiny Panel. It meets regularly and in public, except for a limited amount of business such as that which is by its nature is commercially sensitive or concerns members of staff, which will be dealt with in confidence. Representatives of the media will be positively encouraged to attend, and details of meetings will be published on the Council's web site.

Meetings of the Cabinet will provide an opportunity for Councillors who are not Cabinet members and the public to ask questions or make statements on any items under discussion.

Overview and Scrutiny

As a balance to the powers and activities of the Cabinet, the Scrutiny Panel has been established to hold the decision-makers to account and to review the Council's policies.

The Scrutiny Panel has the following functions: -

- To review corporate strategies;
- To ensure that actions of the Cabinet accord with the policies and budget of the Council;
- To monitor and scrutinise the financial performance of the Council, initial best value reports and performance reporting, and to make recommendations to the Cabinet particularly in relation to annual revenue and capital guidelines, bids and submissions;
- To link the Council's spending proposals to the policy priorities and review progress towards achieving those priorities against the Strategic and Implementation Plans;
- To scrutinise executive decisions made by Cabinet, the North Essex Parking Partnership Joint Committee and the Colchester and Ipswich Joint Museums Committee which have been made but not implemented referred to the Panel pursuant to the Call-In Procedure;
- To scrutinise executive decisions made by Portfolio Holders and officers taking key decisions which have been made but not implemented referred to the Panel pursuant to the Call-In Procedure;
- To monitor the effectiveness and application of the Call-In Procedure, to report on the number and reasons for Call-In and to make recommendations to the Council on any changes required to ensure the efficient and effective operation of the process;
- To scrutinise the Cabinet's performance in relation to the Forward Plan;
- To monitor the financial performance of the Council and to make recommendations to the Cabinet in relation to financial outturns, revenue and capital expenditure monitors;

Its purpose is to review decisions, those policies of the Council already in place, the work of Cabinet and non-Cabinet bodies and, where appropriate or necessary, to require the Council's decision-makers to account for and justify their decisions and the way in which those decisions are implemented. They may carry out consultations with and receive evidence from the public and local organisations during reviews of those functions for which they are responsible. They may, if they wish, appoint for the duration of a review on a particular matter advisors or specialists from outside

the Council who have a particular knowledge of the subject. Members of the Cabinet cannot serve on the Scrutiny Panel, although they are entitled to, and will normally, attend their meetings.

Planning Committee

The Committee deals with all applications for planning permission and other development control matters and other minor highway matters that are not delegated to Officers.

Local Plan Committee

The Committee deals with the Council's responsibilities relating to local planning and neighbourhood planning functions.

Licensing Committee

The Committee deals with the Council's licensing functions that are not delegated to Officers.

Governance and Audit Committee

Environment and Sustainability Panel

The Panel's role is to primarily to translate the Council's climate emergency aspirations in actions and to identify and take forward environmental issues affecting the Council and the City.

Officers of the Council

The Officers are directly employed by the Council in a variety of administrative, professional, technical and operational roles. Depending on their individual roles, they advise the Council on all aspects of its functions, put into effect decisions that are taken by Councillors, and provide to the public the services for which the Council is responsible. The Officers are grouped into service groups and all are ultimately responsible to the Chief Executive. The Senior Leadership Team act as co-ordinating managers and perform a strategic operational role. Heads of Service are responsible for the day to day operation of their services.

Statutory Officers

The Council is required by law to make certain statutory appointments, which must be held by different individuals: -

- (a) Head of Paid Service – Pamela Donnelly, Chief Executive

The principal officer adviser to the Council, responsible for ensuring that the Council's resources and procedures are effectively and properly provided and used.

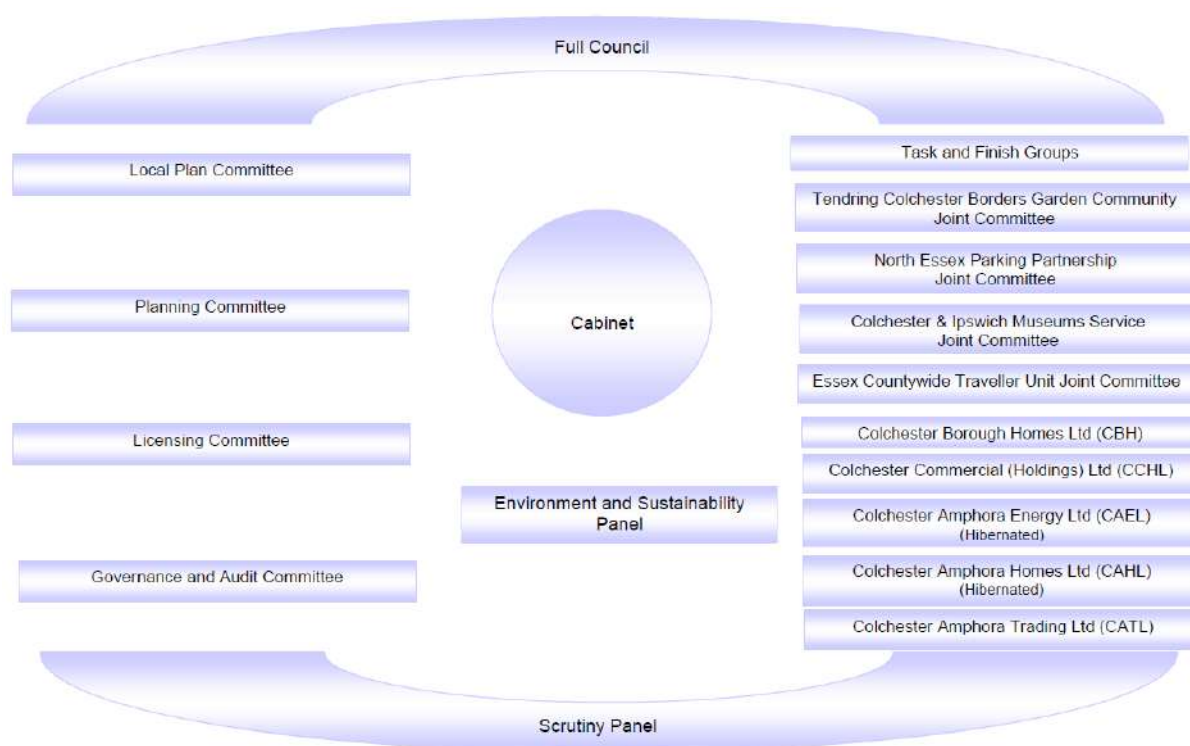

- (b) Monitoring Officer – Andrew Weavers, Head of Governance

Article 9 – Area Working Arrangements

INTRODUCTION

The Council has discretion in deciding whether it wishes to introduce Area Working arrangements. It recognises however that a key part of the modernisation process is to strengthen the engagement of the community with the Council. One of the means to achieving this is by way of Area Working arrangements.

9.01 Area Working Arrangements

No final decisions have yet been taken by the Council in respect of Area Working arrangements. The Council has however recognised the need to engage the community in Area Working which in its early stages will involve listening and communicating better at the local level; identifying, reporting and representing the needs of the locality; community planning at the local level; and monitoring the local delivery of services.

Area Working arrangements will also need to engage the parishes and other existing local arrangements.

The approach to Area Working arrangements will be evolutionary whilst building upon partnerships and structures already established.

The Council may introduce Area Working arrangements as it sees fit, if it is satisfied that to do so will ensure improved service delivery in the context of best value and more efficient, transparent and accountable decision making.

9.02 Form, Composition and Function

Decisions will be made at a future date, and after due consultation.

Article 12 – Decision Making

INTRODUCTION

The Council is required to keep up to date a record of what part of the Council or which individual has responsibility for particular types of decisions or decisions relating to particular areas or functions. This record is referred to in Part 3 of this Constitution.

12.01 Responsibility for decision making

One of the purposes of the Executive structure is to expedite the decision making process. It is the intention of the Council that decision taking should be delegated in the interests of speed where that is consistent with the democratic process in terms of accountability and openness.

The various levels of decision making are:-

- (a) Council - Panels / Committees - delegations to Officers
- (b) Cabinet - Cabinet Members - delegations to Officers

Whilst specific functions are reserved to full Council by statute and the Council and the Leader determine that certain executive functions be taken in full meetings of the Cabinet, a purpose of this Constitution is to encourage delegation of decision making to Cabinet Members and to Officers. Where such decisions have been delegated it remains open to the person making the delegation to call the matter back for their own decision. Alternatively, a person to whom a decision has been delegated may decide that the decision should be referred back to the person or body to whom the delegation originated from, i.e., an Officer to a Cabinet Member and a Cabinet Member to the Cabinet. This would usually be on issues of significance or sensitivity and for the decision maker to refer matters upwards for determination.

As a matter of principle all Key Decisions at least initially shall be taken at full meetings of the Cabinet.

The separation of powers between the Council and the Cabinet (the Executive) is fundamental to the operation of modernised local government.

The Local Authorities (Functions and Responsibilities) Regulations 2000 (as amended) set out what decisions the Council must make itself and these are detailed in Article 4. The following function under Schedule 2 of the Regulations is a function in relation to which the Full Council itself will make decisions:

- the determination of any appeal against a decision made by, or on behalf of the Full Council as opposed to appeals against decisions of the Cabinet.

The determination of any appeal against a decision made by, or on behalf of the Full Council as referred to above shall not in any way affect or remove the statutory rights of the individual.

Decisions which the Full Council have delegated to Committees are identified in Article 8.

The Leader will exercise all powers including the power of delegation to individual Cabinet Members and/or Officers. Decisions are made by the Cabinet collectively, or individual Cabinet Members in respect of matters relating to the range of responsibilities which have been delegated to them.

Decisions in relation to the Budget and the Policy Framework are exclusively reserved to the Full Council.

12.02 Principles of decision making

In order that decision making is efficient, transparent and accountable, all decisions of the Council (whether taken by Full Council, the Cabinet, Panels and Committees and those under delegated powers) shall have regard to the following principles :-

- (a) consideration of all options available;
- (b) having regard to due consultation;
- (c) consideration of professional advice from officers;
- (d) clarity of aims and desired outcomes;
- (e) the action proposed must be proportionate to the desired outcome;
- (f) having respect and regard for human rights;
- (g) presumption for openness;
- (h) only relevant matters taken into account;
- (i) due weight to all material considerations;
- (j) proper procedures will be followed.

12.03 Types of decision

- (a) Decisions reserved to the Full Council.

Decisions relating to the functions listed in Article 4 will be made by the Full Council and not delegated.

- (b) Key Decision

A “Key Decision”, as set out in the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000) (as amended) is a decision, which is likely to either:

- result in the Council incurring expenditure or the making of savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The Council has determined that the level of expenditure or savings for these purposes is £500,000; or
- to be significant in terms of its effects on communities living or working in an area comprising two or more wards within the City of Colchester;

A Key Decision will relate to a decision on a matter identified in the Forward Plan, except in cases of urgency when the provisions contained in the Budget and the Policy Framework Procedure Rules will apply.

In accordance with Section 9Q of the Local Government Act 2000 (as amended by the Localism Act 2011), in determining the meaning of "significant" the Council shall determine thresholds above which items are significant and will ensure these limits are published. The Council has determined that the threshold shall be £500,000.

Any decisions involving expenditure or saving above the published threshold for the service or function concerned will be a Key Decision. A Key Decision may not necessarily involve significant expenditure or savings but may however be significant in terms of its effect on communities in two or more wards with the City.

A decision taker may only make a Key Decision in accordance with the requirements of the Cabinet Procedure Rules set out in Part 4 of this Constitution.

(c) Decisions made by Panels and Committees

Decisions made by Panels and Committees appointed by the Council -power to make such decisions is delegated by the Council in accordance with Part 4 of this Constitution; (Section 101, Local Government Act 1972).

12.04 Decision making by the Full Council

Subject to Article 12.09, when considering any matter, the Full Council meeting will follow the Council Procedure Rules set out in Part 4 of this Constitution.

Reasons for decisions shall be recorded

Article 16 – Council Companies

INTRODUCTION

The Council has various statutory powers to enable it to set up a company which may take various forms. The Council must effectively manage the relationship between the Council and its companies to ensure that they can deliver the objectives established for it by the Council and to ensure transparent and robust governance processes for both the Council and its companies.

16.1 Principles of Governance of Council owned Companies

Any decisions or recommendations in relation to Council owned companies shall be formed with clear reference to the principles outlined below.

The Council's governance arrangements will seek to ensure the following:

(a) Appropriate Controls and Freedoms

- The company will be provided with sufficient freedoms to allow it to achieve its objectives, but
- The Council will retain sufficient controls to ensure that its investment is protected, that appropriate social and financial returns on investment can be obtained in line with the company's business case and business plan and that the trading activities of the company are, wherever possible, conducted in accordance with the values of the Council.

(b) Appropriate Relationships, Integrity and Accountability

- Procedures operate in a way that protects the commercial interests of the company, those procedures will ensure that the Council can carry out its functions as an investor, as a trustee of public funds and a Council committed to due responsibility for the exercise of its functions.
- Cabinet or the Leader can make decisions based upon complete and accurate consideration of the company's business plans or proposals following recommendations from the Governance and Audit Committee,
- Cabinet or the Leader will evaluate social and financial benefits and returns in line with the business plan following recommendations from the Governance and Audit Committee, and
- The Council's Scrutiny Panel is able to exercise their powers in relation to the Cabinet or the Leaders decision making.

(c) Understanding of roles of the Council and the company

- That there is sufficient induction, regular training and other materials in place so that:
 - their legal duties,
 - stewardship of assets,
 - the provision of the governing documents,
 - the external environment, and
 - the total structure of the Council and the company

are appropriately understood by Councillors in their various roles including as a Member of the Council, the Cabinet, Scrutiny Panel, Governance and Audit Committee, by officers of the Council and by Directors of the company and that the standards outlined in the Lawyers in Local Government Code of Practice are met.

16.2 Roles, Responsibilities and Decision Making

The creation of any new company (including subsidiaries) or significant change in purpose of an existing company is a Key Decision and will require a business case. The relevant Portfolio Holder will be consulted in the development of the business case and the business case must be approved in accordance with the Cabinet (executive) decision making processes outlined in the Cabinet Procedure Rules and the Access to Information Procedure Rules.

- (a) The Council is the Shareholder/ Owner for each company. As a default this function is discharged but the Leader of the Council. The Shareholder/ Owner can appoint a Shareholder Representative which will usually be a member of the Senior Leadership Board. The Shareholder/ Owner or Shareholder Representative will ordinarily approve all reserved matters and some may be referred to the Cabinet or the Leader. Reserved matters are matters that are reserved for decision by the Council.
- (b) Reserved matters follow the Council's Cabinet decision making processes set out in Article 7 and will be treated as subject to the Access to Information Procedure Rules. Decision on Reserved matters relating to companies where the Council has a controlling interest, or a minority interest will be taken in the same manner as wholly owned companies. The constitution notes that in the case of companies which are not wholly owned an Executive Decision is subject to the consent of the other shareholders in the entity which shall be governed in accordance with the provisions of the relevant Shareholder Agreement/ Group Governance Agreement.
- (c) Each wholly owned company will be governed by a formally constituted Board which is tasked with delivering the Shareholder's objectives and informing the Shareholder/ Owner on strategic and key operational matters.
- (d) The appointment and dismissal of Directors (including non-executive Directors) is a reserved matter for the Shareholder/ Owner. Directors are responsible for the management of the business of the company with exception of the reserved matters.

- (e) The Scrutiny Panel is responsible for scrutiny of the Leader of the Council and Cabinet's decisions in relation to companies and can make recommendations to the Cabinet on company related matters. Decisions by the Leader of the Council and Cabinet on companies are subject to the Call-in processes outlined in Article 6 – Overview and Scrutiny of decisions.
- (f) Scrutiny Panel can invite company representatives to attend meetings to provide information to support the scrutiny of the Cabinet. However, this does not extend to scrutiny of the company and its performance.
- (g) The Leader has agreed that the Governance and Audit Committee shall act as the Shareholder Committee for Council owned companies and will make recommendations to Cabinet in accordance with its terms of reference.
- (h) The Leader may appoint or remove any Councillors appointed to the Board of Council owned companies. Such appointments will normally be for the duration of a Councillors term of office (as opposed to a Municipal Year) to provide stability and continuity for the relevant Board of the Council owned company.

16.3 Access to Information

This should be read in conjunction with the Access to Information Procedure Rules which covers access to meetings and documents of the Council, the Cabinet and its Committees.

- (a) Reserved matters which require Shareholder/ Owner consent are defined in the Articles of Association or Shareholder Agreement/ Group Governance Agreement for each company. The process for approving and recording decisions relating to reserved matter will be defined within the Shareholder Agreement and will be consistent across all companies as far as possible. Such decisions are Executive Decisions and are also captured by the Council's Access to information Procedure Rules.
- (b) Each company will maintain a strong controls framework with adequate financial records which meet appropriate company standards. Each should have the documents set out below:
