

# EIGHT ASH GREEN NEIGHBOURHOOD PLAN

## CONSULTATION STATEMENT (as at 16<sup>th</sup> November 2018)

### BACKGROUND

1. The Neighbourhood Planning (General) Regulations 2012 section 15(2) of Part 5 (Localism Act) requires a Consultation Statement to set out the consultations undertaken as part of the preparation of a Neighbourhood Plan (NP).
2. In this regulation “Consultation Statement” means a document which—
  - (a) contains details of the persons and bodies who were consulted about the proposed NP;
  - (b) explains how they were consulted;
  - (c) summarises the main issues and concerns raised by the persons consulted; and
  - (d) describes how these issues and concerns have been considered and, where relevant, addressed in the proposed NP.

### INTRODUCTION

3. In February 2015, right from the start of the process of producing a NP for our village of Eight Ash Green (EAG) and following the development of our Communications Strategy in July 2015, we have been keeping a record of our consultations – communications with a variety of stakeholders.
4. So as to get a comprehensive picture of our activities, this Statement or narrative should be read in conjunction with the NP; the Basic Conditions Statement; the Regulation 14 Process, Consultation and Outcomes document; the Evidence Base; the NP Objectives and Policies – Supporting Evidence document; the Site Selection Process document; the Village Settlement Boundary document; and our Project Plan, All these documents, which are on our website at [www.eightashgreen.net](http://www.eightashgreen.net) are designed to support our NP.

### RECORD

5. As can be seen from the self explanatory table in the attached Annex A, we have consulted and communicated both widely and regularly using a variety of different communication methods with stakeholders at different levels eg individuals, groups, businesses, public bodies etc. **Typical examples of our different means of communication can be found at Annexes B to T.**
6. The outcomes of these contacts are set out in the right hand column *with the text in italics showing how and where our consultations have influenced the NP.*

# EIGHT ASH GREEN NEIGHBOURHOOD PLAN

## SUMMARY of the MAIN ISSUES and CONCERNS RAISED

### Housing

7. The villagers, having accepted right from the start that there will be some additional housing in the village, as part of the proposed Colchester Borough Council's (CBC) Local Plan, their main concern has been to identify the best location for this to happen. As clearly articulated in our Site Selection Process document, following two rounds of consultation in Spring 2016 and January 2017 with the village, Site 226 (now referred to as "Fiddlers Field"), has emerged as the clear front runner. On 8<sup>th</sup> February 2017, the Parish Council agreed that Fiddlers Field (Site 226) was to become the "chosen" site for future development in the village; it was agreed Fiddlers Field (Site 226) would be the single strategic Site for development of "up to 150 dwellings" as part of the CBC Local Plan; and it would be the site to be promoted in the NP. *By consulting the villagers by way of the democratic process and their representatives, the Parish Council and the NP Group has been able to reflect their views in the way we have set both the direction and the detailed content at each stage in the development of the NP.*
8. With regard to the types and mix of housing the villagers feel is needed in the future, whilst there is evidence from the consultations that took place in July 2016, the responses to our March 2017 questionnaire gives a much clearer picture of what the villagers wish to see developed on the new Site. *This is reflected in Annex B of the NP.* Whilst issues such as layout and density will be for discussion with the landowner and developer in due course, again *the responses from the village meetings and to our March 2017 questionnaire have specifically influenced the detailed housing Policies and relevant Annex set out in the NP – eg Policy FF2 and FF3.*

### Businesses

9. There are a wide variety of small businesses in the village. The Parish Council is keen to encourage more local employment as is the owner of the Moat Farm complex that contains the biggest single concentration of businesses where there is land available for expansion. As a result of a number of meetings with the owner, the NP is promoting Moat Farm as a "Designated Business Area", thus pointing new businesses towards that locality. *Our discussions with the owner have helped to influence the development and wording of the Business Policies in the NP.*

### Infrastructure

10. A common refrain from virtually everyone you speak to alludes to the infrastructure saying Colchester cannot cope with the large increase in the number of homes to be built as the roads are continually blocked up; the schools are overwhelmed; there are not enough GPs; the hospital has been rated as "inadequate" etc.
11. At our level, we have obtained information about a traffic survey carried out by Essex County Council; we have visited all four local educational establishments; and we have visited all three local GP surgeries and *their comments have guided the content of the NP.* Yes, things are busy locally, but they are all able to cope.

# EIGHT ASH GREEN NEIGHBOURHOOD PLAN

## HOW HAS THE ENGAGEMENT WITH THE COMMUNITY AND OTHERS HELPED SHAPE THE DEVELOPMENT OF THE NP?

12. Our engagement with the villagers, the businesses and other interested parties has been very positive. Whilst at one level, people would perhaps like to see things kept as they are, there is a widespread recognition and acceptance that this is simply not possible. For good or ill, Colchester is an expanding town with a lot to offer, both for existing residents as well as helping to attract new incomers.
13. As indicated above, the immediate concern is the location for the addition of 150 dwellings as per the CBC target figure for EAG. [The reference to “up to 150 dwellings” in paragraph 7 above reflected the wording in the emerging Local Plan, CBC Policy SS7, subsequently superseded by CBC Policy SS5 where the words “up to” were not included]. As this has become more settled, two issues are still at the forefront of villagers mind. First, from their perspective, there is understandable concern to ensure this target figure is not breached over the proposed Local Plan period from 2017 -2033 and second, in terms of the actual site for development, what it will look like in respect of the types and mix of housing; the density and layout. As to the development of community facilities, there are a number of these already in place eg open spaces – the Heath; allotments; an excellent PH; a dedicated play area for children; and a village hall. *The responses to the March 2017 questionnaire provided some feedback as to the views about the latter and have been fed into the NP.*
14. In essence, these issues as well as other concerns about *the need to protect our environment have been fed into the Objectives and Policies for inclusion in the NP – eg Policies EP2, 3 and 4.*
15. Serial 1 of our Basic Conditions Statement makes reference, in column 2, to the National Planning Policy Framework principle regarding “Genuinely plan-led empowering local people to shape their surroundings with succinct neighbourhood plans setting out a positive vision for the future”. *The Basic Conditions Statement clearly shows how this principle has been met by way of the Vision statement for our village.*

## CONCLUSION

16. To Summarise our various consultation activities, to date, we have:-
  - met with CBC 18 times
  - held formal meetings with the villagers 11 times as well as 3 home visits
  - met with members of the senior citizens EAG Friendship Club 3 times
  - manned a NP Group stand at 3 Village Festivals
  - distributed 12 flyers - updates to every dwelling in the village
  - distributed 11 reports to the villagers by way of the village newsletter
  - attended/given 29 presentations to the PC (meetings held in public)
  - submitted 2 documents to the PC
  - updated the Neighbourhood Plan Group ([www.eightashgreen.net](http://www.eightashgreen.net)) web site 14 times
  - met with landowners and their agents, 12 times
  - met with 7 businesses and a multiple business owner twice
  - met with the Heads all four of the local educational establishments including three visits to the EAG primary school
  - met with all three of the local GP practices and the one dental practice in the village

## EIGHT ASH GREEN NEIGHBOURHOOD PLAN

- met with all of the farmers in the village
- met the local vicar twice
- met with Essex County Council
- met with the Essex Bridleways Association and Sustrans, the national cycle network
- had 9 articles published in the local paper – the Essex County Standard

The focus for this Narrative is on the main points; issues and contacts in developing our NP. It does not tell the whole story of course as literally hundreds of emails have been exchanged by the NP Group with the various bodies, groups, organisations shown above. In addition, there have been dozens of telephone calls – discussions.

Finally, the NP Group met 16 times in 2015; 24 times in 2016; 25 times in 2017; and 22 times so far in 2018. Copies of all the meeting notes of the NP Group are available on our website.

# EIGHT ASH GREEN NEIGHBOURHOOD PLAN

30	Friday 29 <sup>th</sup> April 2016	Article in Essex County Standard	Gave details about the whole village drop in meeting on 30 <sup>th</sup> April
31	Saturday 30 <sup>th</sup> April 2016	Whole village meeting	153 villagers attended (now met with some 250 villagers) – asked the same questions as per Serial 22 above  <i>The third opportunity by the villagers to influence the content of the NP by choosing Site 226</i>
32	Friday 6 <sup>th</sup> May 2016	Article in Essex County Standard	Reporting the success of the 30 <sup>th</sup> April village meeting
33	Sunday 8 <sup>th</sup> May 2016	<a href="#">Paper for the Parish Council</a>	Following the results of the various meetings with the villagers and landowners, and NP Group survey of the nine <b>CBC</b> “Call for Sites”, the paper asked the <a href="#">Parish Council</a> to express a view, at the forthcoming meeting on 1 <sup>st</sup> May, about the 3 out of the 9 Sites which had a Net Promoter Score (NPS) (ie more positive than negative scores)
34	Wednesday 11 <sup>th</sup> May 2016	<a href="#">Parish Council meeting</a>	The NP Group talked to the 8 <sup>th</sup> May paper, and of the three NPS sites, the <a href="#">Parish Council</a> endorsed Site 226 as the “Preferred Site” with Site 155 as the second option. Site 150 was rejected as it could lead to coalescence with Stanway. [Site 150 subsequently also rejected by <b>CBC</b> as “unsuitable”] The focus of the meeting was about the LOCATION of future housing in the village – the precise NUMBER and TYPES of housing were yet to be determined  <i>This definite steer from the <a href="#">Parish Council</a> has been reflected in the drafting of the NP</i>
35	Friday 27 <sup>th</sup> May 2016	<b>Meeting with CBC</b>	Gave feedback from the various meetings with villagers to include our “Preferred Site” + confirmation of the additional number of houses <b>CBC</b> are looking for EAG to accept (up to 150)  <i>As this was the first firm indication from <b>CBC</b> about the <u>number</u> of houses to be allocated to EAG, this figure has henceforth been included in drafts of the NP</i>
36	Monday 30 <sup>th</sup> May 2016	<a href="#">Email to all landowners</a>	Providing an update on progress and to meet with them in due course
37	Wednesday 8 <sup>th</sup> June 2016	<a href="#">Parish Council meeting</a>	Report back from meeting with <b>CBC</b> on 27 <sup>th</sup> May
38	28 <sup>th</sup> June 2016	<b>Letters to EAG Primary School, Stanway Secondary School and Sixth Form College</b>	Requesting a meeting to discuss implications for these establishments of housing developments in EAG NP and potential student numbers
39	28 <sup>th</sup> June 2016	<a href="#">Letters to businesses</a>	Requested meetings with those who have business premises and informed those businesses who have a private, residential address of our NP  <b>Annex G contains a copy of the letter</b>

## EIGHT ASH GREEN NEIGHBOURHOOD PLAN

40	w/c 4 <sup>th</sup> July 2016	Progress report in village newsletter	Update on progress re the landowners and the outcome from the three village meetings – Site 226 is the “Preferred Site” Mention was made about a meeting with ECC about the 2014 traffic survey where we had asked for details about a repeat of the survey plus we asked for 4 new locations to be surveyed as no traffic data was available in certain locations in the village Reference was made to the next steps which included meeting the businesses in EAG; the community groups in EAG; and the local schools – colleges
41	Monday 4 <sup>th</sup> July 2016	Meeting with Leon Dias, owner of Pathways Centre	Privately owned, publically funded day centre for people with learning difficulties
42	Friday 8 <sup>th</sup> July 2016	Meeting with Brenda Eagland – Cattery	Local small business whose land is outside the village envelope
43	Friday 8 <sup>th</sup> July 2016	Meeting with Chelsea, Manager of Progressive Mews residential home	Home for people with challenging behaviour
44	Sunday 10 <sup>th</sup> July 2016	Letter to Colchester Institute	Requesting a meeting to discuss implications for the Institute of housing developments in EAG NP and potential student numbers
45	W/c 11 <sup>th</sup> July 2016	Distribution of village “Flyer”	Delivered to every household, informing residents of the forthcoming CBC consultation event  <b>Annex H contains a copy of the flyer</b>
46	Monday 11 <sup>th</sup> July 2016	Meeting with Heather Hann Head of EAG Primary School	School places are under pressure but coping OK and should be able to absorb additional numbers  <i>Whilst subsequently 45 extra places have been earmarked for the local primary school by Essex County Council, discussions have shown that the development of 150 houses in EAG does not present undue strain on the local educational establishments, with the result that the NP does not need to have any specific Objectives and Policies in respect of educational matters</i>
47	Monday 11 <sup>th</sup> July 2016	Meeting with Ian MacNaughton Principal of Sixth Form College	No shortage of places, now or for the foreseeable future  <i>Whilst subsequently 45 extra places have been earmarked for the local primary school by Essex County Council, discussions have shown that the development of 150 houses in EAG does not present undue strain on the local educational establishments, with the result that the NP does not need to have any specific Objectives and Policies in respect of educational matters</i>
48	Wednesday 13 <sup>th</sup> July 2016	Distribution of village “Flyer” and CBC “Flyer”	Both sent to all landowners informing them of the forthcoming CBC consultation event
49	Saturday 16 <sup>th</sup> July 2016	Stand at EAG Music Festival	Some 30 people came up and made enquiries – welcomed progress on NP

## EIGHT ASH GREEN NEIGHBOURHOOD PLAN

50	Monday 18 <sup>th</sup> July 2016	<b>CBC consultation event</b>	Held in village hall - EAG NP Group in support – some 50 residents attended <b>Owners – developers of Sites 149 and 155 attended</b>
51	Tuesday 19 <sup>th</sup> July 2016	<b>Meeting with Jonathan Bland Co-Head of Stanway Secondary School</b>	Full in September 2015 but with extra places coming on stream by way of school expansion plans, should be able to cope with additional housing in EAG  <i>Whilst subsequently 45 extra places have been earmarked for the local primary school by Essex County Council, discussions have shown that the development of 150 houses in EAG does not present undue strain on the local educational establishments, with the result that the NP does not need to have any specific Objectives and Policies in respect of educational matters</i>
52	Friday 29 <sup>th</sup> July 2016	<b>Meeting with Alison Andreas, Principal of Colchester Institute</b>	No shortage of places and is able to cope with any potential growth in the number of additional pupils  <i>Whilst subsequently 45 extra places have been earmarked for the local primary school by Essex County Council, discussions have shown that the development of 150 houses in EAG does not present undue strain on the local educational establishments, with the result that the NP does not need to have any specific Objectives and Policies in respect of educational matters</i>
53	W/c 25 <sup>th</sup> July 2016	Update to NP web site	NP Status report updated
54	Sunday 31 <sup>st</sup> July 2016	<b>Poster sent to Stanway School, Sixth Form College and Colchester Institute</b>	To help recruit a young person from EAG to our NP Group + an offer to meet the students of Stanway School and the Institute as part of their “Citizenship” programme. Neither proposals taken up.
55	August	Letter delivered to EAG Community Groups	Offering to meet them to discuss any issues or concerns they may have about our NP  <b>Annex I contains a copy of the letter</b>
56	Friday 19 <sup>th</sup> August 2016	<b>Meeting with Tony Doubleday</b>	Owner of the Moat Farm business area containing 10 business units – wishes to increase the number of units but area currently classed as agricultural land. He is happy about the proposal for his site to become a “Designated Business Area”  <i>This proposal has been included in the NP</i>
57	Monday 22 <sup>nd</sup> August 2016	<b>Meeting with Janet Flower and Robert Chamley</b>	Joint owners of Site 226 to confirm initial discussions and “commitments” – they are in discussions with Gladmans land agents
58	Wednesday 7 <sup>th</sup> September – 14 <sup>th</sup> October 2016	<b>Potential meeting with Brickstables Dental Practice</b>	As part of our programme to visit and speak with businesses in EAG, we first of all telephoned the Practice on 7 <sup>th</sup> September to try and set up a meeting to discuss any potential use of their land

## EIGHT ASH GREEN NEIGHBOURHOOD PLAN

			for business purposes, but were advised to send an email which the owner could consider. Despite further emails sent on 18 <sup>th</sup> September and 14 <sup>th</sup> October, there has no response so no further action has been taken
59	Wednesday 14 <sup>th</sup> September 2016	Parish Council meeting	Update for Parish Council on progress to include confirmation that the CBC “Preferred Options” consultation paper, clearly shows Site 226 as our “Preferred Site”; a report of the meeting with the owners of Site 226; the feedback from meetings with businesses and schools; our recent communications with villagers; the documentation the NP Group is working on; the importance of the forthcoming questionnaire; and next steps eg the AGM in November
60	Friday 16 <sup>th</sup> September 2016	Meeting with CBC	Confirmed CBC Local Plan timetable had slipped a year; informed us that an additional Site had been put forward for potential development; discussed the situation regarding the Settlement Boundary (ex Village Envelope) and the need to undertake a thorough review; agreed to look at our draft documentation; reported back to CBC about our meeting with the landowners of Site 226; and discussed the designation of business areas
61	Friday 16 <sup>th</sup> September 2016	Meeting with Moles Seeds	Their site contains some 12 acres of land but have no plans to either expand the size of their current premises or to lease/rent out the rest of the site
62	Monday 26 <sup>th</sup> September 2016	Meeting with local vicar	One of the local Community Groups. Explained purpose, progress and present position of the NP. John Parker was keen to explore the potential for new amenities for the village such as a new Church Hall on the old Scout Hut land. We also discussed the possibility of having a new Village Hall on church land as part of a “Community Hub” – plenty of car parking spaces for example. He agreed to consult the Parochial Church Council about this and come back to us. <i>As a result of this meeting, a specific Policy (CS1) has been included in the NP to reflect that a new village hall is to be located on the site of the CofE church</i>
63	Monday 4 <sup>th</sup> October & Friday 7 <sup>th</sup> October 2016	Exchange of emails with land agents enquiring about Site 124 with a view to developing a care home on the site	Responded by explaining the consultation process with the villagers saying that Site 226 is the preferred site with Site 155 as the reserve site and Site 124 is not being considered for development as part of the Neighbourhood Plan
64	Friday 14 <sup>th</sup> October 2016	Potential meeting with the “Eight Ash Green” Dental Practice	Initial email sent on 14 <sup>th</sup> October requesting a meeting to discuss any potential use of their land for business purposes. A subsequent exchange of emails in October demonstrated that the owners only wish to develop their land for domestic housing rather than for business. Any application for building will need to go via the normal planning route eg via the Parish Council

## EIGHT ASH GREEN NEIGHBOURHOOD PLAN

65	Saturday 15 <sup>th</sup> October 2016	Meeting with Janet Flower and Robert Chamley	Explained that in view of 3 new sites coming forward for potential development ("Heathfields" site + 2 from Ted Gittins – details NYK), we are going to conduct a fresh round of consultation with the village in the New Year to include Site 226
66	Monday 24 <sup>th</sup> October 2016	Meeting with Guy French, owner of Site 155	To discuss his three new "floor plans" for the Site. Agreed, his Option 2 (to include a larger slice of land that will accommodate up to 150 houses) will be put forward as part of the consultation with the village in the New Year. (Option 1 was the original site put forward which is too small and Option 3 straddles the A1124 to include both Site 155 and Site 226 – NP Group rejects this as it could lead to the whole of Sites 155 and 226 being developed resulting in more than 150 houses being built)
67	Monday 7 <sup>th</sup> November 2016	Meeting with CBC	To discuss progress, inform CBC about proposed changes to Site 155, confirmation of the need to hold another consultation meeting so the villagers can rank Sites 226 (again); the new proposals for Site 155; the new "Heathfields" Site and the Ted Gittins request to review Sites 063 and 208; CBC happy to look at and comment on our draft documents eg our Sustainability Assessment and our Objectives and Policies
68	Tuesday 8 <sup>th</sup> November 2016	Visit to the "Tollgate Clinic" GP surgery	Meeting to inform the practice about the proposed addition of "up to 150" houses in EAG; confirmation that EAG is in their catchment area; and their ability to cope with additional patients. The Practice Manager confirmed they already have plans in place to expand the Practice and they would be able to cope with any new patients from EAG that may wish to register with them <i>This meeting indicated that a specific Objective and Policy that might reflect the need for additional GP/primary care services, are not required for inclusion in the NP</i>
69	November 2016	Progress report in village newsletter	Reference was made to the publication by CBC of their "Preferred Options" consultation paper which a) confirmed EAG is expected to take "up to 150 houses" and b) confirmed that the NP will allocate the Site to be developed. Activities undertaken by the NP Group were reported which included meeting with various businesses; all 4 local educational establishments; as well as writing to all the local community groups. An update was given about the traffic survey (ECC has not, after all, repeated their 2014 survey and the costs of undertaking a survey of the 4 additional locations identified by the NP Group are prohibitive) Mention was made of the forthcoming questionnaire to be distributed in the New Year and the importance of completing it.

			Finally, the date, time and venue for the AGM were given.
70	Friday 4 <sup>th</sup> November 2016	Article in Essex County Standard	Notice of the AGM on Wednesday 16 <sup>th</sup> November
71	Friday 11 <sup>th</sup> November 2016	Article in Essex County Standard Email sent to NP Group mailing list	) ) Notice of the AGM on Wednesday 16 <sup>th</sup> November ) )
72	Monday 14 <sup>th</sup> November 2016	Meeting with Essex Bridleways Association	The new proposed "Heathfields" Site has a bridleway running through it. EBA confirmed a bridleway is there "in perpetuity" and any developer would have to ensure it remained in place. EBA provided advice about the maintenance of the route and the preservation of the screening that is currently in place on the NE edge of the Site  <i>The outcome from this meeting has directly influenced the drafting of Policy EP4 in the NP</i>
73	Monday 14 <sup>th</sup> November 2016	Informal meeting with the Vice Chairman of the Parish Council	Discussion centred around any change to the Village Settlement Boundary (VSB) and the inevitable extension of the VSB to accommodate the Single Strategic Site of "up to 150" houses. It was agreed not to hold a meeting "in public" of the Parish Council until it was clear which is or has become the "chosen" Site
74	Wednesday 16 <sup>th</sup> November 2016	AGM	85 villagers including members of the NP Group present – 57 from Heathfields/Searle Way/Spring Lane + 28 from the rest of the village Presentations included explaining the context underpinning the development of our NP; the progress – achievements since last AGM; the timetable – next steps for both CBC and the NP Group; a financial report; election of officers and a Q&A session. <i>All those present agreed there should be a single strategic Site that would accommodate "up to 150" houses rather than having piecemeal development throughout the village</i>  <b>Annex J contains a photograph of this event</b>
75	Monday 21 <sup>st</sup> November 2016	Meeting with Arbora Homes	Developer of the Heathfields" Site. Produced a "floor plan" for the Site that did not include or indicate the pre-existing bridleway. Arbora has the option on a much bigger piece of adjoining land – too big for our purposes. Prepared to offer land for a new village hall
76	Tuesday 22 <sup>nd</sup> November 2016	Meeting with Ted Gittins	He wants the NP Group to reconsider Site 063, less the field to the West of Turkey Cock Lane. NP Group not prepared to reconsider Site 208 as it cannot absorb 150 houses and the policy is to go for a single Strategic Site rather than piecemeal development across the village

## Neighbourhood Plan – What’s in it for us?

### Introduction

Neighbourhood Plans have been introduced by Government to encourage local communities to have a much greater say on community planning. This means the future development of Eight Ash Green would be in our own hands, rather than with third parties such as Developers, Colchester Borough, Essex County Council or Central Government.

Eight Ash Green already has a Parish Plan and Village Design Statement. These were put in place following a detailed and lengthy consultation with villagers, and completed by village volunteers. Both were adopted by Colchester Borough Council as supplementary planning guidance. They provide an aspirational plan for the future of our village, but they are not intended to specify the extent and location of future development.

### The 2017-2032 Borough Local Plan

Colchester Borough Council has just started work on the Borough Local Plan for 2017-2032, which entails finding sites for some 16,000 new homes. Several local land-owners see Eight Ash Green as ideally situated for large-scale development, and have made representations in the initial call for development sites. Unless tightly controlled, we could see 600 to 1000 new houses being built by 2032, which would completely change the character of the Village.

If we have a Neighbourhood Plan, local people will be able to influence the extent of development, where that development takes place, and what other infrastructure should be provided. However, **“No Development” is not an option.** All villages will be asked to take some development to provide for their local needs, typically 20 - 50 homes between 2017 and 2032, according to the size of the village.

# EIGHT ASH GREEN NEIGHBOURHOOD PLAN

So the first action is for the Village to decide whether it wants a Neighbourhood Plan. **If it does, then a Plan will be produced by the Parish Council but we need volunteers to help us.** A Neighbourhood Plan will determine the future development of our community and the additional facilities that should be provided.

**If we decide not to proceed with a Neighbourhood Plan, then the decisions on any future development in our Village will be imposed on us by Colchester Borough Council or by Central Government.**

## What is the Neighbourhood Plan and Why Bother?

A Neighbourhood Plan would be based on the proven evidence-based need for residential development, and a decision by the village on where it should be located. The Draft Neighbourhood Plan must be reviewed by a Government Planning Inspector, and adopted by the Village in a referendum. The Approved Neighbourhood Plan then becomes a statutory part of Colchester Borough Council's planning policy.

The key points include:

1. ♦ Acceptance that future development will occur, but any change will be greatly influenced by the approved Neighbourhood Plan.
2. ♦ A focus on what the types, numbers and location of housing the village community believe is needed in the future.
3. ♦ A demonstration that the plan for the future is both acceptable to the majority of residents and complies with legal statute.
4. ♦ An acceptance that the Neighbourhood Plan means that the prospect of future development is linked to benefits that accrue for the community as a whole.
- 5.
6. **What if we do not have a Neighbourhood Plan?** Initially nothing will alter for a while, unless and until we become the target for developers. **There has already been a presentation to the Parish Council by a major developer.** For communities without a Neighbourhood Plan there is already a presumption in favour of the developer to build where they can show a need and or a reason to develop. Without a Neighbourhood Plan, development can be imposed upon the Village without taking into account the views of residents.
- 7.
8. **What happens next?** Before the Village can start producing a Neighbourhood Plan, we have to demonstrate to Colchester Borough Council that:
  - ♦ We have consulted with the Village and there is a broad majority agreement in favour of producing a Plan.
  - ♦ There is general agreement on the boundary of the plan (eg the whole Civil Parish, part of the Village, or just the central areas).
  - ♦ The Parish Council has passed a resolution that the Neighbourhood Plan should proceed, and that it will be the statutory body responsible for the Plan.

**PLEASE COME TO THE MEETING TO HELP US DECIDE THE WAY FORWARD**

### Progress Report in Village Newsletter July 2015

## NEWS FROM THE EAG NEIGHBOURHOOD PLAN GROUP

Neighbourhood Plans have been introduced by Government to encourage local communities to have a much greater say on community planning. This means the future development of Eight Ash Green would be in our own hands, rather than with third parties such as Developers, Colchester Borough, Essex County Council or Central Government.

As you will remember, we held a village meeting on 22<sup>nd</sup> April to let you know the reasons why we need to develop a Neighbourhood Plan (NP) for our village (basically so that we could have some local control about future development in EAG rather than having something imposed on us – no development is not an option) and to secure your agreement about the boundary or Area the NP should cover.

The response we received was good with 131 villagers attending (10% of the adult population) and it was a lively meeting. Since then, the NPG has been doing a number of things:-

- ◆ Primarily, via the Parish Council, as required in the process, we have made a formal submission to Colchester Borough Council for approval of our proposed NP Area – the Parish boundary which has now gone out to public consultation
- ◆ Getting the basic infrastructure of the Group in place such as agreeing the Constitution; putting a Project Plan together; allocating the responsibilities and tasks for the members of the Group (more volunteers would be welcome please); setting up a website at [www.eightashgreen.net](http://www.eightashgreen.net)
- ◆ preparing a list of issues the Group will need to cover – investigate; agreeing the Vision for the village; asking the Rural Community Council for Essex for details of the Neighbourhood Profile for EAG etc

Looking ahead, we will be holding regular meetings to take what is a substantial amount of work forward and we will be having a stand at the EAG Village Festival on 18<sup>th</sup> July where you will have the opportunity to hear first-hand about progress and ask us questions.

The map on Page 17 shows those areas of the village where land-owners have submitted their sites to Colchester Borough Council for inclusion in the available land bank. This does not give any planning rights.

### Letters to businesses in Eight Ash Green

#### LETTER TO BUSINESSES

Dear Sir,

I am writing to you in my capacity as Secretary of the Eight Ash Green Neighbourhood Plan (NP) Group.

Our NP Group has been charged by the EAG Parish Council to produce a NP for the Parish. We are proposing to meet with those firms that occupy business premises in EAG (ie they do not operate from a private home/address) as a NP is not just about housing but also the effective use of land which includes businesses. We note your business is run from a domestic property so unless you have a particular need or wish to meet with the NP Group, we do not propose to suggest a meeting. If you wish to discuss this further, please let me know using the email below.

Yours sincerely

Steve Brown

Secretary, Eight Ash Green Neighbourhood Plan Group

#### LETTER TO HOME BUSINESSES

Dear Sir,

I am writing to you in my capacity as Secretary of the Eight Ash Green Neighbourhood Plan (NP) Group.

Our NP Group has been charged by Eight Ash Green Parish Council to produce a NP for the Parish and we believe it will be to our mutual benefit to meet with you. We see our discussions as covering: -

- An introduction to Neighbourhood Plans and what they hope to achieve
- Where we are, at present, with preparing a plan for Eight Ash Green (EAG)
- Where you would see your business, now and in the future in our village
- Whether you would like to put the views of your business forward regarding the development of our village.

We would be more than happy to visit you and seek your involvement as part of the process of putting together the NP for the Parish. A NP is not just about housing but also the effective use of land, which includes businesses. If you feel this would be beneficial to you and your Business please contact me (by email if possible) to agree a mutual date and time when we can meet.

We look forward to meeting with you.

Yours sincerely

Steve Brown

## EIGHT ASH GREEN NEIGHBOURHOOD PLAN

### IMPORTANT MESSAGE

You may well have seen articles in the local press quoting a figure of 150 additional houses for our village as part of the Colchester Borough Council Local Plan proposals.

**Colchester Borough Council will be holding a Consultation Event on Monday 18 July in the Village Hall from 4 pm to 8 pm regarding their Preferred Options paper about future development across the Borough and specifically what this means for Eight Ash Green.**

**If you want to know what is planned for the future in Eight Ash Green it is important you attend this event.**

The EAG Neighbourhood Plan Group will also be there to answer any questions you may have.

By now you will have seen the July edition of the village newsletter explaining the activities the Neighbourhood Plan Group have recently undertaken on your behalf.

The Neighbourhood Plan Group will man a stand at the Village Fun Day on Saturday 16 July. Please come and talk to us on the day and ask any questions you may have about future development in Eight Ash Green.

For more information please contact  
John Allcock, Vice Chairman of the NPG on 07772 749 262

### Letter to Eight Ash Green Community Groups

Dear Sir/Madam,

I am writing to you in my capacity as Secretary of the Eight Ash Green Neighbourhood Plan (NP) Group.

Our NP Group has been charged by the EAG Parish Council to produce a NP for the Parish. We are proposing to offer to meet with those Community Groups that meet in EAG. As a NP is not just about housing but about all the activities in the village, we would like to give Community Groups the chance to meet with us, if they wish to. If you have a particular need or wish to meet with the NP Group, please contact us on the email below and suggest a date and location for a meeting. We are trying to record and note in the NP all of the activities and clubs in the Village.

We have no direct influence about how the village is managed; this is proper to the Parish Council, but we are working at their request to gather information and evidence.

You are most welcome of course, to attend any of our village meetings/information or consultation events regarding our Neighbourhood Plan

Yours sincerely

### Neighbourhood Plan Open Village Meeting on 6 May 2017 attended by Gladman Developments

### Neighbourhood Plan Stand at the Eight Ash Green Music Festival July 2017

### Progress Report in Village Newsletter November 2017

#### **EAG NEIGHBOURHOOD PLAN GROUP John Allcock, Vice-chairman, Nov 2017**

As we indicated in our last report, in March we distributed a Questionnaire to every house in the village asking for views on a wide variety of issues.

We analysed the responses and reported the results to the Parish Council on 12<sup>th</sup> April. A copy of the results are contained in a Technical Report which is available on our website at [www.eightashgreen.net](http://www.eightashgreen.net)

On 6<sup>th</sup> May, we held a village meeting (102 people attended) where we provided copies of the results from the questionnaire completed by 477 villagers (a 33 per cent response rate); the draft Objectives and Policies regarding the future development of the village to be included in the Neighbourhood Plan; and copies of the draft of the Neighbourhood Plan itself.

In June, Gladman Developments submitted their planning application for Site 226 which can be viewed on the Colchester Borough Council (CBC) website that includes all their documentation and the various responses. (Go to "planning" - "view or comment on planning applications on line" - "search applications on line" - and enter "171529"). The Parish Council responded to CBC on the planning application on 7<sup>th</sup> July.

We are working towards holding the statutory 6 week public consultation on the Neighbourhood Plan and are currently in discussion with CBC about both the mechanics of this and the Plan itself.

Much more details will be available at our Annual General Meeting (AGM) which is scheduled for Saturday 18<sup>th</sup> November at 2.00pm in the village hall. The Agenda will cover:-

- Welcome and introductions

- The purpose of the AGM

- A presentation by the Neighbourhood Plan Group covering:

  - An update of the main activities since the 2016 AGM

  - The present position on the Neighbourhood Plan

  - The next steps and future timetable

- Financial report

- Questions and answers

- Election of Officers

- Summary and closure

Please come along to hear both what has been happening and the next steps – it's not a done deal yet!

We look forward to seeing as many of you as possible at the AGM.

### **Update to Eight Ash Green Neighbourhood Plan website 12 January 2018**

#### **A VISION STATEMENT FOR THE PARISH OF EIGHT ASH GREEN**

The Vision for Eight Ash Green is that it should remain a small village located in a rural setting, mainly consisting of residential dwellings interspersed with open farm land but also containing some small business premises. Eight Ash Green should continue to enjoy wide open spaces within the village with uninterrupted views of the countryside. It should remain clearly separated from other nearby villages. It is not and should not become a suburb of Stanway, Colchester or the proposed West Tey Garden Community/New Town.

#### **PRESENT POSITION**

Following a meeting with Colchester Borough Council on Friday 5 January 2018 where we discussed the latest draft of our Neighbourhood Plan, it was agreed we should press ahead with the six week Regulation-14 consultation and preparations to implement this are now in progress.

### REGULATION 14 PRE-SUBMISSION CONSULTATION

#### BACKGROUND

1. The Regulation 14 Pre-Submission Consultation is being undertaken over a six week period from Monday 12<sup>th</sup> February 2018 up to and including Sunday 25<sup>th</sup> March 2018. A co-ordinated publicity campaign has been organised comprising:-
  - A notice and link to the Plan and supporting documentation has been placed on the Eight Ash Green Neighbourhood Plan website at [www.eightashgreen.net](http://www.eightashgreen.net)
  - A flyer (see Annex R) has been distributed by hand and/or email to every household and business in the village explaining how they could access the Plan and respond. The flyer also explains how people/organisations can access a hard copy, if need be.
  - Notifications have been sent to the statutory and non-statutory consultees to include landowners and where appropriate, their agents via email enclosing a copy of the flyer, encouraging them to look at and use the online version of the Plan and comment/response form.
  - An article is to be included in the March, quarterly village newsletter confirming the above and reminding people/organisations about the deadline for responses.
  - Copies of the flyer have been placed:-
    - both inside and outside of the village hall
    - in all three of the Parish Council notice boards
    - the village pub – the Cricketers
    - the village fish and chip shop
    - the village shop; hairdressers and garage
    - the village dental surgery
    - the village primary school
    - the two village bus shelters
    - on facebook
  - A drop-in session is to be held in the village hall on Saturday 10<sup>th</sup> March 2018 from 13.30 to 16.30 so as to provide a helping hand for anyone in completing the comment/response form.
