Dear Laura,

**COLCHESTER BOROUGH LOCAL PLAN  
FOCUSED REVIEW OF CORE STRATEGY AND DEVELOPMENT POLICIES  
POST-HEARING MODIFICATIONS**

Thank you for notifying Essex County Council on the consultation of the post hearing modifications to Colchester Borough's Focused Review of the Local Plan. The County Council has no comment to make on the modifications.

As noted in a previous response from the County Council, the two stage process of reviewing the Colchester Borough Local Plan is supported. The County Council looks forward to engaging constructively, actively and on an on-going basis during the full review of the Local Plan. This will ensure the continuation of a robust long-term strategy for the Borough that provides a reliable basis on which the County Council may plan future services and provide the required social and physical infrastructure for which it is responsible.

Yours sincerely,

Matthew Jericho
