Enclosure(s) : CD

Subject : Haven Water Cycle Study, Stage 2

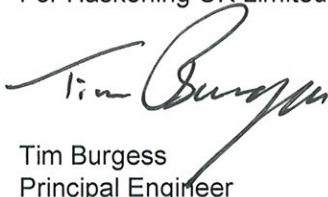

Dear Beverly,

Please find enclosed a CD containing the final version of the Stage 2 Water Cycle Study for the Haven Gateway Sub Region.

Please carefully read the Guidance to Use which is included both separately on the CD and within the main document. This guidance is current at the moment, but we are awaiting comments from the Environment Agency which may modify this, and if this happens then the documents will be re-issued.

If you have any further questions, please do not hesitate to contact either Richard Morton of the Haven Gateway Partnership or the undersigned.

Yours sincerely
For Haskoning UK Limited

Tim Burgess
Principal Engineer
