

Health Housing

ARE YOU A TENANT OR A HOME OWNER? **FREE ADVICE SESSION ON**

Wednesday 23rd October 2018

Do you or your loved ones have:

- Asthma
- COPD
- Mobility issues
- Other long term health conditions

These may be affected by your living conditions.

- Poor housing conditions such as damp and mould?
- Property with no heating or hot water?
- Poorly maintained windows and doors or dangerous staircases?
- Struggling to live independently?
- Are you having issues with your landlord or Housing Association?
- Are you unable to maintain your own home?

If the answer to any of these is YES,

Colchester Borough Council is hosting a free drop in advice session at this surgery **North Colchester Health Care Centre, Turner Road, Colchester, Essex, CO4 5JR** on **Tuesday 23RD October 2018** between 10am and 3pm

For more information ask at reception or call The Health and Housing
