

**COLCHESTER BOROUGH COUNCIL
SUSTAINABLE DESIGN & CONSTRUCTION
SUPPLEMENTARY PLANNING DOCUMENT**

ADOPTION STATEMENT

The Sustainable Design and Construction Supplementary Planning Document (SPD) was adopted by the Colchester Borough Council Local Development Framework Committee on 13 June 2011. The Sustainable Design and Construction SPD provides guidance for those involved in development in Colchester to help them deliver a high quality built environment. The document sets the case for development meeting minimum levels under the Code for Sustainable Homes and BREEAM.

Any person with sufficient interest in the decision to adopt the SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application must be promptly and in any event not later than 3 months after the date on which the SPD was adopted.

The SPD, a statement summarising the main issues raised during the formal consultation period and how these were addressed in the SPD, and a copy of this Adoption Statement can be viewed on the Council's website at www.colchester.gov.uk or at the Council Offices at Angel Court, High Street, Colchester.

The Sustainable Design and Construction SPD was prepared in full compliance with Colchester's adopted Statement of Community Involvement (2011).
